PROFESSIONAL EXPERIENCE

PASV | Frontend Engineer - Internship | Remote, Sunnyvale, California

July 2021 - November 2021

- Developed complex web application with other peer-engineers using MERN stack (React, Express, Node, MongoDB).
- Worked closely with team members by solving issues on github, maintained existing code and added new features to achieve business needs.
- Effectively communicated with other collaborators to discuss projects and workflows.
- Integrated backend with frontend by utilizing Restful APIs.
- Developed and styled the app by applying CSS, styled-components, npm packages and React Library.
- Practiced pair-programming and reviewed each other's code by submitting pull requests to mentor.

Fidens solutions | Co-Founder | Paterson, New Jersey

January 2021 - Present

- Provided remote IT support, using Microsoft Admin and Teamviewer, resulting in improved system run time and access by 100%
- Installed and configured wireless network, using LAN controllers, switch, access points and Windows Defender, built entire office IT system for 50+ staff

Paterson Arts and Science Charter School | IT Coordinator | Paterson, New Jersey

January 2020 - September 2021

- Provided organization-wide technical and troubleshooting IT support using teamviewer and JIRA, reducing outstanding tickets by 50%.
- Administered various hardware technologies and applications using Google admin, Adobe admin, and Microsoft admin, improving platform accessibility which increased student engagement online by 2x.
- Fixed chromebooks for students to enable them to transition to a remote learning environment using parts of broken computers by fixing 300+ Chromebooks and saving the school \$180k annually.

EDUCATION

Frontend web development | General Assembly | New York, NY

2020

- Front end development bootcamp

React development bootcamp | Programming Academy of Silicon Valley | Sunnyvale, CA

2020

- React UI developer immersive bootcamp

Master's Degree in Computer Science | Suleyman Demirel University | Almaty, Kazakhstan

2008
